(Nail 4,5mm - Force 1100 Newton).

Overcap, for a higher abrasion resistance

daptive[®]

Smart and adaptive system, for a **dynamic comfort solution**. The shoe adapts according to the kind of applications in use: it **dissipates high impact energy, stabilizes the walk, and it helps you maintain the correct posture keeping the foot on axis, reducing risk of sprains.**

Double density TPU RXT outsole

- **Stability control, lightness, resistance and grip, in one single shoe**
- **Ideal for work on smooth and wet floors**
- **Designed for workers who spend most of their time standing.**

«RXT» is the new formula "made in Base Protection", for a sole that combines **lightness, high resistance to abrasion and slip.**

The **special tread pattern**, associated with a **new generation blend**, increases **grip** on the most critical work surfaces, **even in wet conditions.**

Shock absorbing is also enhanced in the front part (metatarsal area), for a greater **cushioning effect** and a feeling of comfort **on the entire sole of the foot**

Base
feel the comfort

*SmellStop: Treatment made with biocide *Zinc pyrithione (CAS-No. 13463-41-7)* product type PT 09 who counteracts the deposit of microorganisms on the surface of materials.
