

Portwest Clothing Ltd

Electric Delivery Certificate

Measuring, reducing and communicating our carbon impact to support your decarbonisation journey

Statement Details

In 2023 we delivered

49,678

parcels to your customers on all-electric vehicles which is 8.81% of your total parcels

Saving

13,711kg

of CO₂

DPD continues to invest in its all-electric delivery fleet which is now over 32% of our final mile delivery fleet

As a part of Geopost we have a fully validated SBTi net zero target for a 90% reduction by 2040 set against a base year of 2020
